SA Girl's Wild Midnight Ride

To warn people of a fearful forest fire in the Catalinas a young girl rode horseback at midnight and saved many lives. Her deed was glorious but lives are often saved by Dr. King's New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "It cured me of a dreadful cough and lung disease," writes W. R. Patterson, Wellington, Texas, "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by Safford Drug Co., Safford, Arizona. 46-5t

For years J. S. Donahue, So. Haven, Mich., a civil war captain, as a lighthouse keeper, averted awful wrecks, but a queer fact is, he might have been a wreck himself, if Electric Bitters had not prevented. "They cured me of kidney trouble and chills," he writes, "after I had taken other so called cures for years, without benefit and they also improved my sight. Now, at seventy, I am feeling fine." For dyspepsia, indigestion, all stomach, liver and kidney troubles, they're without equal. Try them. Only 50c. at Safford Drug Co., Safford, Arizona. 46-5t
